

POLARIS

Silent LED Case Fan

Silent Cooling Fan

50% More LED

Multiple Colors

50% More LEDs than the Standard LED Fan

The embedded LEDs in the center of the fan pierces through the smoked fan blades to create a balanced, radiant display.

Available in Multiple Colors

The single-color LED Polaris fan is available in four colors: white, blue, red and green. Match the theme of your rig!

Shockproof Rubber Stand

Four shockproof rubber stands strategically placed on the corners to reduce vibrations while in operation.

Silent Cooling Fan

Polaris LED fans can speed up to 1280 RPM, but only produce 20.2 dB(A) of noise. We modified the design of the blades, and developed a dynamic balance to effectively reduce the fan noise level.

Transparent Frame

The LEDs penetrate from the center and expand throughout the transparent frame, increasing the visual lighting experience. Also, the PBT material is heat-resistant, which increases long-term durability.

Specifications

Product Name	Polaris LED
Part Number	POLARISFAN-1PK-WHI POLARISFAN-1PK-RED POLARISFAN-1PK-GRE POLARISFAN-1PK-BLU
Fan Size	120 x 120 x 25mm
Material	PBT, PC
Starting Voltage	5V
Fan Rated Voltage	12V
Fan Rated Power	2.64W
Fan Rated Current	0.22A
Speed Mode	1280±200 R.P.M
Air Flow	43.31CFM
Air Pressure	1.26mm/H2O
LED	Single Color(R/W/B/G)
Fan Connector	Y-Cable
Noise Level	20.2 dB(A)
Bearing Type	Sleeve Bearing
Life Expectation	35,000 hrs/ 25°C
Net Weight	150g
Warranty	2 years
