Small, Smart, Sleek and Spectacular!

Chopin Pro is an ultra slim form factor case designed for the most efficient and user-friendly experience. It is only 3.3 liters in size, but comes with various multi-functional features. It has everything you need, and nothing you don't.

Titanium Grey Aesthetic

The modernized, hi-tech aesthetic is embellished in a titanium grey to achieve a distinguishably clean appearance.

Sleek Aluminium Exterior

Chopin Pro features a 1 mm brushed aluminium shell that completes a clean and sleek chassis frontal.

200W 80 PLUS Gold Adapter Included

Chopin Pro's upgraded 80 Plus Gold Adapter provides maximum efficiency while keeping the noise pollution at a bare minimum.

Note : Intel 10th Gen CPUs with 8 cores or more will generate too much power and will overload your PC system as a result.

Customizable I/O Panel

Four color I/O strips allow you to customize your own case with your unique style.

Perforated Mesh Panels

The top and side mesh panel design enhances the heat dissipation and provides excellent ventilation.

Space Savvy Design

Innovative dual layout structure with 2 x 2.5" drive bays located at the other side of the motherboard main plate allows maximum expandability in a compact size.

Specifications

Model	Chopin Pro
Model Number	IW-CS-CHOPINGRE-PS200W
Colors	Titanium Grey
Case Type	Mini-ITX Tower
Materials	SECC, Aluminium
M/B Compatibility	Mini-ITX
